Rev. Fred Campbell  
Mt. Zion Baptist Church  
134 Hemlock Ave.  
Redwood City CA 94061

Dear Rev. Campbell,

We would like to ask for your assistance in furthering our efforts to provide disaster preparedness and response for all Redwood City residents.

You previously received a questionnaire from the Peninsula Clergy Network regarding disaster preparedness in your congregation. Your response is critical to the PCN project coordinating congregation involvement with Redwood City disaster preparedness and response. This plan is in partnership with the Fire Department, Police Department, County Office of Emergency Services and Bay Area Red Cross.

The PCN plan enables our city to partner with all congregations with the necessary resources to support their congregants. The plan will also make it possible for us to partner with congregations to support individuals in their surrounding neighborhoods. It gives congregations and neighborhoods the opportunity to get prepared for response before a disaster happens.

We would appreciate it if you would return the enclosed questionnaire to the PCN. This will enable Redwood City to move forward in our effort to establish a comprehensive plan for disaster preparedness and response.

If you have any questions, please contact the PCN at 650-627-0065.

Sincerely,

Handwritten signature of James F. Skinner.

James F. Skinner, Fire Chief  
Redwood City Fire Department
