During the celebration of the San Mateo County Sesquicentennial, the Peninsula Clergy Network began the process of collecting the founding dates of all of the congregations in the county. These congregations have provided their founding dates. If your congregation and founding date are not listed, please email the Peninsula Clergy Network at pcn@blueconnect.org. A commemorative poster will be distributed in the coming weeks to all congregations and civic organizations.

The Peninsula Clergy Network is an interactive network of all clergy in San Mateo and Northern Santa Clara Counties, building knowledge, understanding and working relationships. The PCN provides interaction between clergy and civic leaders and within the communities they jointly serve. In this work, the PCN does not advocate, urge a particular faith, or seek religious solutions to civic issues. The PCN provides the relationships and framework for fostering awareness, understanding, and community engagement. Key to the success of the PCN is the creation of a database, unique in the country, of the 440 clergy and 310 congregations in San Mateo and Northern Santa Clara Counties.
