Redwood City congregations are working with the Peninsula Clergy Network (PCN) to enhance disaster preparedness for all individuals.

Purchase is not limited to individuals associated with any congregation.

Partner community agencies are the Redwood City Fire Department, Redwood City Police Department, San Mateo County Office of Emergency Services and the San Mateo County Office/ Bay Area Chapter of the American Red Cross.

Funding for this project is provided by the Sequoia Health Care District, with additional support from the Silicon Valley Community Foundation and the San Francisco Foundation.
