Dear Rabbi Miller:

On behalf of Westchester County Executive Andy Spano, I would like to thank you for your participation in the first regional "Livable Communities: A Vision for All Ages, Connecting People and Places" conference on October 2 at the Westchester Marriot in Tarrytown, N.Y.

Your contribution of time, knowledge and enthusiasm made this an extraordinary event and thoroughly engaging on all levels. We hope that you had an opportunity to network with the other visionary speakers from various disciplines. The wonderful response from all participants further confirmed our belief that the Livable Communities concept is an essential part of the fabric of our County.

For your convenience, the power point presentations made in the morning session in the Grand Ballroom can be found at:
